EQUINE CHALLENGE™ SUPPLEMENTS FOR HORSES

for Mind Body and Sole Support

Equine Challenge™ is a milled, food-grade, Flaxseed-based, forage-specific, highly bio-available daily vitamin, mineral, trace element, and digestive probiotic supplement.

Equine Challenge Supplements™ were specially formulated by Dr. Mackie K. Hartwig, a chiropractor and nutrition expert who is also an avid barefoot advocate, as well as an instructor at the Oregon School of Natural Hoof Care. He has developed different formulas for different hays and a few specific regional conditions, and has created fantastic products that fill in the gaps of a typical hay diet. For most horses, Equine Challenge and Hay is all you need!

There are 3 forage specific Vitamin/Mineral versions available: the original Vitamin & Mineral for most horses; the Southwest regional version for forage grown in Arizona, New Mexico and West Texas; and the no added Selenium regional version for areas with high selenium forage -- all available for either grass or alfalfa hay diets. We also offer separately, their high quality Probiotics and Flax. **See our website for more details and more EC products!**

*Price includes shipping! Feed 2-4 ounces per day for Vit/Min.

**Equine Challenge™ Vitamins & Minerals
Original version, or No Selenium Added Regional Blend
Choose GRASS or ALFALFA**

12 lb Foil Pouch.....\$66.95 25 lb Pail.....\$131.95

NEW! EQUINE CHALLENGE™

LAMINAE 911 (Herbal Blend)

Equine Challenge™ Laminae 911 herbal support helps build strong, healthy laminae. Equine Challenge™ Laminae 911 is formulated to help compromised hoof tissue to heal more quickly. It is not just the hoof but the many other systems which support the hooves such as the immune system, the circulatory system, the gastro-intestinal system and organ support such as the kidney, bladder and liver. While providing both anti-inflammatory, anti-pyretic (fever) and analgesic relief in a more natural way, without the negative aspects of NSAIDs and Bute use.

- Horses in any and all stages of laminitis
- Horses in any and all stages of founder
- Supports blood flow to the hoof
- Horses transitioning from shoes to barefoot
- Horses that are generally tender footed
- Thin soled horses
- Weather mediated hoof tenderness
- Intermittant hoof tenderness
- Helps build strong, healthy hooves

*Price Includes shipping!

Equine Challenge™ Laminae 911

1 lb Foil Pouch: \$54.95 (60 day supply/1 horse)
2 lb Foil Pouch: \$97.95 (120 day supply/1 horse)
5 lb Pail: \$237.95 (300 day supply/1 horse)
